I started modeling in 1994, then took a sabbatical to raise a family. I've now decided to come back with a force. I love everything outdoors and hike as much as possible.

I'm a 19 year-old model from Asheville, NC. The body is art to me and that's why I love doing what I do. I want to create photos that really show the beauty of the human form. I'm hoping to take this as far as I can and to travel to bad ass places and meet amazing people while doing what I love at the same time.
